WILLIAM MAYS

610-781-3670
wvm5179@psu.edu

OBJECTIVE

To obtain an internship in mechanical engineering beginning in Summer 2027

EDUCATION

The Pennsylvania State University **May 2030**
Bachelor of Science in Mechanical Engineering GPA: 4.0/4.0

The Berks Career and Technology Center – West Campus **May 2026**
NOCTI Certification in Mechatronics Engineering Technology Advanced

CERTIFICATIONS

OSHA 10-Hour **Sep 2023**
NOCTI Certification **May 2026**
Mechatronics Engineering Technology Advanced

SOFTWARE

Autodesk Fusion, Onshape, Microsoft 365

PROFESSIONAL EXPERIENCE AND PROJECTS

GIANT Food Store **West Lawn, PA**
Cashier / Front-End Associate *Mar 2025 – May 2026*

- Communicated effectively with customers to assist them with inquiries regarding pricing and savings
- Addressed unruly customers within store policy
- Assisted with pharmacy tasks while cross-training and demonstrated the responsibility to release and dispense schedule II medication within months thereafter

Westover Companies **Wyomissing, PA**
Lifeguard *May 2025 – Aug 2025*

- Verified membership and local residency status to enforce the policies set forth by the complex while acting as the sole pool manager for the full shift duration
- Maintained safe conditions in and around the pool by performing extensive physical and chemical maintenance including safely handling high concentrations of chlorine, diluting and refilling pool water, and evacuating the pool during unsafe conditions

SeAL Land Challenge **The Pennsylvania State University, University Park, PA**
Lead CAD *Jun 2026 – Jul 2026*

- Assisted in building a remotely operated rover for a simulated radioactive facility wherein items were required to be moved throughout the facility
- Reprogrammed the rover to improve stability while lifting objects to allow greater control while operating
- Designed a multifunctional, rapidly detachable piece using Autodesk Fusion that allowed the rover to transport a higher capacity of items throughout the course

LEADERSHIP AND INVOLVEMENT

Clark Scholars Program **The Pennsylvania State University, University Park, PA**
Scholar *May 2026 – Present*

- Selected as one of 10 freshman engineering students at The Pennsylvania State University who show a drive to succeed academically and a willingness to seize opportunities
- Awarded a full scholarship covering the cost of tuition, room, board, and co-curricular activities

National Technical Honor Society **The Berks Career & Technology Center – West Campus, Leesport, PA**
Member *October 2025 (lifetime membership)*

- Demonstrated outstanding achievement in the field of career and technical engineering by competing and placing in statewide competitions, participating in activities related to mechatronics, and helping others in similar fields through leadership

SkillsUSA **The Berks Career & Technology Center – West Campus, Leesport, PA**
Member, Treasurer, Competitor *Oct 2023 – May 2026*

- Assisted in managing ~$5,000 and collected money through fundraising
- Placed 11th in the United States in the Related Technical Math competition

Math Team **Wyomissing Area JSHS, Wyomissing, PA**
Member, President *Sep 2022 – May 2026*

- Led weekly meetings and created math problems for club members
- Planned events throughout the year, setting a precedent for following officers by actively participating in and engaging with the club and its members and taking time to improve the organization
- Placed first in the Berks County Math Competition as an individual and as a team
